

# MARGARETT'S VINEYARD

## ROMER RED MENDOCINO COUNTY

Margarett Romer Parducci is the inspiration for this collection of wines. She had always been a hands-on, hard-working woman who was deeply connected to her environment and the outdoors. Her deep connection with nature and her surroundings made them more beautiful.

Margarett's passion for growing flowers and vegetables was the envy of her friends and family. A sheep rancher for four decades, she managed to carve out her own identity as she supported her husband, John Parducci, in his life-long winemaking career.

Margarett's wines are made by her grandson Rich Parducci of McNab Ridge Winery. He continues their family tradition of extraordinary wines to be enjoyed with family and friends. Both of Rich's grandparent's influence is evident in the wines and the small family winery in Mendocino County.

Tasting Notes: These varietals, sourced from five of our vineyard partners, have come together to create a beautiful blend that displays aromas of spice and red, brambly fruits. It is fruit forward with deliciously lush and ripe dark berry flavors. The wine also displays notes of boysenberry, black pepper and anise. Enjoy a glass on its own or pair it with your favorite Italian meal.
